Dear Linda Strong,

We have reviewed your request for natural gas for the site address referenced above. We have determined that a neighborhood project is possible for you and the people living in the area. We have enclosed a map with the address ranges as follows:

3623 Chase Lake Rd, Howell, MI to 8680 Pioneer Dr, Howell, MI

The price per customer would be \$15,539.10 plus the normal natural gas connection fees (\$200.00 plus possible excess footage). This quote is valid for 30 days from the date of this letter.

Financing is available to homeowners on the project who request it. The interest rate is 6.81% and for a total of 120 monthly payments of \$178.90. These are set per project and are not negotiable. Consumers Energy will not access your credit report.

If you believe this is a project you and your neighbors would like us to pursue, please contact us and we will send mailings with more complete information to all the eligible customers. We can be reached at 888-427-6246 or via email to: cap_support_ctr@cmsenergy.com.

Thank you,
