spec overview

A200 macro tower

Infratech for where connectivity and power is needed

- Tower Overview**
- Tower height**
- Tower footprint**
- Number of telecom tenant colocations**
- Tenant colocation vertical space**
- Resiliency**
- Design life**
- Tower design standards**
- Output voltage**
- Operational temperature range**

- 200 feet
- 40 x 40 feet
- 4 + microwave
- 10-foot vertical
- 2N+1
- 25+ years
- TIA-222-H
- 3 Phase, 480V AC
- 25 to 50 C (-13 to 122 F)
